

7th International ACGR 16-18 June 2023

Arctic Circle Guzzi Ralli 2023 will be organized north of the Arctic Circle in Loma-Vietonen at Kuusirannatie 59, 95675 Meltosjärvi, Finland. More: <https://lomavietonen.fi/en/>

You can book accommodation by e-mail info@lomavietonen.fi or by phone +358 016 546 184. When booking, mention the code "Gruppo Nord" and you will get accommodation at the agreed price. The prices have been agreed for cabin and room accommodation, as well as for campers. Loma-Vietonen does not have an actual caravan area, but caravanners can also agree on their accommodation in advance with Loma-Vietonen.

All Loma-Vietonen accommodations are reserved for Gruppo Moto Guzzi Finlandia and the agreed reservation period ends on April 16, 2023. After this, the accommodations go on general sale. We recommend making a reservation well in advance, as the place's accommodation capacity is limited. Accommodations are paid on the spot.

It's going to be another nice weekend with local food and e.g. with live music! We provide more detailed information about dining reservations and the rally program during the winter on the Gruppo's home and Facebook pages.
